Set the vibe with Le Zen

**Create your own ambiance
anywhere, anytime.**

PRODUCT INFO

Le Zen is a stylish wireless bluetooth speaker with LED moodlight and beverage cooler in 1. Le Zen is available in three different sizes.

It is equipped with a high-quality 5 to 10W speaker. The moodlight function offers seven different color variations and can be operated via the supplied remote control.

Le Zen is water resistant (IP44) and shock proof. The 2600 mAh lithium-ion polymer battery offers a playing time of around 4-6 hours.

The leather handle makes Le Zen easy to carry and with the impressive light and sound it turns any location into a party.
